

Quotation

Ref: Roof sheet removal and disposal

To: Peter Higgs

Company:

Date: 07/06/22

Quotation Ref: 0404

Inclusions:

1. Labour
2. Hand held power tools
3. Scaffold access
4. Waste disposal
5. All standard PPE, Hi-Vis, safety equipment to comply with site requirements

Exclusions:

1. Fulltime none working supervisor / manager
2. Being the "Principal Contractor"
3. Welfare facilities
4. Any Electrical Work
5. Moving or clearing any obstacles from around the building
6. Removing any of the existing timber framework
7. Mains Power Supply
8. Structural engineer calculations
9. Any permissions required
10. Access any Public Highway

Assumptions:

1. Onsite parking is made available adjacent to the work area
2. Any electrics to the building will be made safe / isolated prior to the commencement of works
3. Construction site and adjacent surrounding areas will be clear of all obstacles to allow free movement to erect scaffold platforms on either side of the building. A clearance of approximately 4 feet will be given above the roof area to allow free movement to remove the roof sheets. Any delays caused by others may incur further charges
4. Trees and vegetation will be cleared by others prior to the commencement of work or by Cladding SW Ltd at an additional cost
5. The existing timber framework will be dismantled by others
6. Mains power supply will be supplied by others and available for our use
7. Welfare facilities will be supplied by others and available for our use

Cladding SW Ltd to:

1. Supply a scaffold platform on both side elevations of the building
2. Remove and dispose of all asbestos materials and provide a Waste Transfer Note

Net Cost: £4,595.00 + Vat

Please note:

ALL PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE AND ARE NOT GUARANTEED DUE TO THE VOLATILE INDUSTRY AT THIS TIME. Please also note if the cladding is put on order, the quote may need to be repriced prior to fabrication to incorporate any further increases or decreases

Please be aware

Payment terms will need to be agreed should we be successful in securing the works. Quotation allows for the provision of all relevant documentation, including training records, method statements and risk assessments

We trust that we have interpreted your requirements correctly, but should you have any concerns or wish to discuss the works further please do not hesitate to contact us

Kind Regards

Alan Phillips and Steve Dawson
