

St Keyne & Trewidland Parish Council

Footpaths Working Group

Established July 2023

Scope of committee

The Group's main function is to oversee access to and maintenance of footpaths and public rights of way across the parish. This will include promotion of their locations and encouragement to increase their use. The Group will also link to the 'Smugglers Way' Project which coordinates work with adjacent parishes.

Membership

Will include the council's Chair and two other councillors, together with residents.

Management

Will be the responsibility of the council chair. Periodic progress reports will be made to the parish council. Meetings of the group will take place on an 'as required' basis without formal notice.

Administration

The group will be administered by the parish clerk.
