## **Jubilee Park Fencing Specification**

- 1** Replace the wooden fencing along the western perimeter of the Children's Play Area with similar fencing – 48 metres in length; remove and dispose of old fencing.
- 2** Replace the wooden fencing along the rest of the western perimeter of the Park with similar fencing – 67 metres in length; remove and dispose of old fencing.
- 3** Repair or replace the two pedestrian gates into the Children's Play Area, ensuring that the hinges are strong and secure and the opening/closing mechanisms are robust, simple and efficient.
- 4** Fix robust, simple and efficient opening/closing mechanisms to the three pedestrian entrance gates into the Park.
