Subject: Trewidland Village Hall Defib Renewal

Good Afternoon

The current defib package with SWAST in relation to Trewidland Village Hall ends on 01.06.2026. As we are six months away from this date I am writing to explain your options.

If you wish to renew the package this will provide you with a new battery for the defib, ongoing coverage of pads and technical for the defib for the next 4 years and any support required should the defib be deployed and used. The cost of the renewal is £1000 plus VAT.

Should you choose to not renew then our agreement will end with on the 01.06.2026 On this date the defib and cabinet should be removed and ready for me to collect from an agreed pick up point.

If you can advise me of your decision I would be most grateful.

Kind regards

Andy Collins | Community Engagement and Training Officer – Cornwall and Isles of Scilly
