

Lawn Cemetery Memorial Plaque Order

The parish council has created a Memorial Garden within the Lawn Cemetery as an area of quiet space. There is additional seating located inside the area, and seasonal plants and shrubs have been installed. You can have a small (12.5cm x 5.5cm) engraved plaque attached to the Memorial Wall in memory of a loved one. The photograph below shows the layout on the plaque. You are limited to two lines of text, 24 characters per line, which would be enough space, for example, for a name and a significant date.

If you already have a plaque on the wall and would like to purchase another, we can position the two together if you would like us to. Just put a note in the 'Request' box below.

The current cost of the plaque is listed in our Cemetery Fees, and includes fixing. If you would like to order a plaque, please complete these details and send the completed form to the Clerk's Office. We will contact you to confirm your requirements and arrange payment.

Your name	
Your email	
Contact phone number	
First line of plaque	
Second line of plaque	
Special Requests	

If you need this order form in a different format, please contact the Clerk's Office at the address below or send the information we need in an email.
